Bowers Ambulance, providing excellence in prehospital care since 1938, is currently establishing itself as Los Angeles County's fastest growing medical transportation provider. Focusing on accountability, compassion, and teamwork, our career driven professionals are just as focused on helping each other as they are to helping our patients. We believe that by fostering the goals and ambitions of those that comprise our ranks, we strengthen and grow as an organization. It's evident in all our employees, come see for yourself.
